Hi – Attached is the briefing document that we will use for background information and talking points for our midyear meeting next week (April 14th) with Utah. Please add your respective information/talking points under the appropriate heading **by noon, Tuesday, April 13th**. This will allow Carl and me a little time to review the briefing document and determine if we need any additional information. I have also attached the draft agenda I sent to Bryce Bird earlier this morning as an FYI. Let me know if there are any questions.

Thanks.
